Lobby Decor

September 3, 2020 7:12 AM EDT

Q1 - Please indicate which of the following items should be included in RP lobbies. This survey is only concerned with types of furnishings, not the style, decor, color, etc.

Individual building owners will decide the specific type of wall hangings & window treatments, as well as the furnishings' style, color, decor, etc. Feel free to add any missing items. FYI, new floor mats have been ordered/installed. Check all furnishings that you believe should be included in the lobbies. Thank you.
